

Iberostar Origin Bella Costa

Descriere Iberostar Origin Bella Costa 4*

HOTEL The Bella Costa Hotel is a modern resort-style complex located on the coast of Varadero, one of the longest and most visited beaches on the island of Cuba. Located in the north of the country, this four-star hotel offers its guests an all-inclusive rate, with several swimming pools and easy access to the beach. Additionally, you can find many attractions and entertainment in the hotel, such as a spa, a nightclub and events area for all visitors, with live shows every day of the year. **LOCATION** The location of the Bella Costa Hotel is ideal to enjoy the island of Cuba and the Caribbean Sea, because it is located in a privileged area where you can enjoy all kinds of water events and activities. Add to this the bonus of fine weather and the fact that the city of Havana and the Jose Marti International Airport are less than 20 km away. All this promotes an atmosphere of proximity to other locations, because from the hotel you can access, with organised excursions, trips to various cities such as Santiago de Cuba, Camaguey, Santa Clara and Guantanamo, as well as the coast of Bavaro Beach. **ROOM** The Bella Costa Hotel offers its clients different types of rooms according to the number of people and the needs of each group on arrival. - Standard: these rooms are located in the area adjacent to the pool. They offer an en suite bathroom, internet and TV, double bed with the option to add a supplementary bed, as well as a telephone and air conditioning. - Premium: these larger size rooms can fit up to five people and are located in the area adjacent to the beach. They are equipped with standard amenities as well as a balcony and terrace. **RESTAURANT** Due to its extensive number of daily visitors, the Bella Costa Hotel has two large restaurants that offer all kinds of food services to their guests. Both offer a free buffet service on an all-inclusive basis, with international cuisine and themed sections that can be adapted in the moment to the needs of our guests. Its a place where you can taste American and European cuisine, as well as witness live show cooking of oriental cuisine, pasta or fusion gastronomy. Of course, a place for disconnection requires a privileged environment, just like the two bars in the hotel, one of them at the pool and the other located in the beach area, designed so that guests enjoy their stay to the fullest.
