The accommodation is surrounded by an all-green landscape with views to the whole bay - an ideal setting for all guests who wish to experience the ultimate relaxation and tranquillity.

Fiskardo is a beautiful village, and is among the areas of the island that were affected less from the quake in the 50s.

This is one of the reasons Fiskardo is so popular, as it preserves the architectural style of Kefalonia throughout the years and gives to every guest a glimpse of the islands history.
