

SARLOT STUDIOS

Bali

Descriere SARLOT STUDIOS 2*

Full description

The complex consists of several buildings which include a café, mini market and souvenir shop, which belong to the owner. Most of the studios have views of the sea and the nearby resort. The complex also includes a sun terrace, which is fully available to clients. Sun beds and umbrellas are on the beach on extra charge. The beach is reached from the Studios the fastest after just 71 steps, leading directly to the marvelous tavern by the sea or a small roadside road. Wi-Fi internet is free of charge in the common areas of the complex.

Additional info

Due to the stairs, we do not recommend people with limited mobility to book but this is balanced by beautiful views and accommodation aside from traffic noise. Clients can use the swimming pool in the Sofia Hotel a complex (20 m), where the ordered food is also served.
